Hi Nick, John and Jeff,

Here's an agenda with notes under each item to help you think about as you prepare for this Friday's phone call regarding the San Diego SIP. I have listed each of you with one or more items to contribute on. I'll send a simpler version of this without the notes to the entire group tomorrow. Please let me know if you have any additions or changes, but keep in mind that there are already many items on the agenda.

Thanks!

Steph
